EDUCATION:

INSFP
2023-2026

Web Development & Mobile Development

LANGUAGE:

- Arabic : Native
- English : Technical Proficiency
- French : Intermediate

PROFILE:

Ambitious Junior Full-Stack Web & Mobile Developer with 6 months of internship experience at Ooredoo, skilled in React.js, Laravel, and Flutter. Eager to deliver responsive, high-performance solutions while continuously expanding my technical expertise and gaining professional experience.

EXPERIENCE:

GREEN STEPS – ECO-CHALLENGE PLATFORM (GRADUATION PROJECT)

Developed for Ooredoo Algeria, this full-stack web and mobile platform gamifies eco-responsible challenges with a user reward system. Built using React.js, Laravel, and Flutter, focusing on high performance and a seamless mobile-first user experience.
